## RULE D4 – INSTITUTION NUMBERS AND CLEARING AGENCY/REPRESENTATIVE ARRANGEMENTS

### Introduction

1. This Rule outlines procedures by which an Institution Number is allocated to a Member by the Association.

### Eligibility

2. Only Members of the Association shall be allocated an Institution Number. Entities that are not Members of the Association but that have been allocated an Institution Number, prior to the establishment of the CPA, may continue to use that number at the discretion of the Board. A credit union, which was formerly a Member with an allocated Institution Number that becomes a member of a Central may continue to use that number at the discretion of the Board, subject to section 5.

### Institution Numbers

3. Upon being granted membership in the CPA, a new Member shall be allocated only one Institution Number.

### Amalgamation and Acquisition

4.
  - a. Subject to subsection (c), upon the amalgamation of two or more institutions, or the acquisition of one or more institutions by a Member, each of which has previously been allocated an Institution Number, the new or continuing Member may continue to use more than one Institution Number for a period of one-year from the date of the amalgamation or acquisition. After this date, the new or continuing Member shall cease to use all but one number subject to subsection (b).
  - b. Further to subsection 4(a), the new or continuing Member may:
    - i. Request an extension beyond the one-year period by filing a written request at least thirty (30) days prior to the expiration of the one-year period with the President, who may extend the one-year period indefinitely or for a specified period. The request shall specify the reason for the extension and the length of time requested.
    - ii. Upon an extension being granted by the President pursuant to subsection 4(b)(i), the new or continuing Member may make a further request to the President that it be re-allocated the Institution Number of the amalgamating or acquired institution(s).
    - iii. Regardless of whether an Institution Number is re-allocated pursuant to subsection 4(b)(ii), the new or continuing Member shall be responsible and liable for all Payment Items bearing the Institution Number of the acquired or amalgamating institution(s) prior to and subsequent to the amalgamation or acquisition.

---

## RULE D4 – INSTITUTION NUMBERS AND CLEARING AGENCY/REPRESENTATIVE ARRANGEMENTS

\*For greater certainty, unless specified by the President, any Institution Number that is re-allocated, and/or any extension that is granted for the continued use of an Institution Number, does not absolve Members from their obligation to ensure that Payment Items are acceptable for clearing and specifically, are drawn on a Member, a local that belongs to a central, or a cooperative credit association that is a Member (Note: for Paper Payment Items, the name on the face of the instrument determines the Drawee).

- c. If the new or continuing Member is a Direct or Group Clearer, it shall designate an Institution Number that shall be the sole Institution Number used for the purpose of effecting settlement and entering Items into the ACSS.
- d. The Association shall maintain a list of current approved extensions (see Appendix III of this Rule).

### Non-Member Entities

5.
  - a. Upon receiving written request by a Central or Group Clearer, the President shall reallocate the Institution Number of an entity referred to in section 2 to that entity's Central or Group Clearer, as the case may be.
  - b. An entity referred to in section 2 may continue to use the Institution Number for a period of one-year from the date of the reallocation, subject to any extension the President may grant.

### Notification by the President

6. The President shall provide written notice to the official contact of each Member as soon as practicable following receipt of a notice of amalgamation, acquisition, voluntary liquidation or any other event that would affect a Member's right to use its allocated Institution Number or the Institution Number of a Member that it has amalgamated with or acquired. A reminder notice, if applicable, shall be provided on a best efforts basis thirty (30) days before the applicable Institution Number is to be discontinued or re-allocated. The notice(s) shall contain:
  - a. the effective date of the amalgamation or acquisition, voluntary liquidation or other event;
  - b. if applicable, the date upon which use of the applicable Institution Number is to be discontinued; and
  - c. if applicable, the date upon which the applicable Institution Number is to be re-allocated to the new or continuing Member.

---

## RULE D4 – INSTITUTION NUMBERS AND CLEARING AGENCY/REPRESENTATIVE ARRANGEMENTS

### Paper Payment Item Routing Process

7. Each Direct Clearer shall update its paper payment item routing processes as of the date specified in the notice provided by the President or such other date as may subsequently be advised by the Association.

### Cancelled numbers

8. Institution Numbers that are cancelled further to notice of a merger, amalgamation, insolvency, liquidation or any other reason shall be reserved for a minimum of 10 years and then shall not be allocated to another Member until necessary.

### Institution numbers, clearing arrangements
