## RULE G8 – PROCEDURES / CRITERIA PERTAINING TO THE ENCASHMENT OF RECEIVER GENERAL WARRANTS FOR NON-CUSTOMERS

### Introduction

1. This Rule outlines procedures pertaining to the encashment of Receiver General Warrants for recipients who are not established account holders (non-customers). When these procedures are followed, Members will be indemnified by the Government of Canada against fraud losses arising from the encashment of Receiver General Warrants for no more than \$1,750.00.

### Definitions

2. In this Rule,
  - a. “Cheque Form Number (CFN)” means the unique identifier for a paper RG Warrant assigned by the Receiver General for Canada;
  - b. “Invalid Cheque Form Number” or “Invalid CFN” means that the Receiver General for Canada did not issue a paper RG Warrant with this CFN;
  - c. “Member” means any of those persons who are members of the Association pursuant to section 4 of the Canadian Payments Act;
  - d. “Non-customer” means an individual who does not have an account with any branch of the encashing financial institution or does not hold a credit card issued by it;
  - e. “Receiver General Warrant” or “RG Warrant” means an authorization for the payment of money drawn on or by the Government of Canada and payable by the Government of Canada; and
  - f. “Returned Item Carrier Envelope” means a translucent window envelope in which a returned item is enclosed for processing through the clearing.

### Items to be Accepted

3.
  - a. RG Warrants to be accepted under these procedures include all RG Warrants, which carry the institution number 117 in the MICR encoding band, which contain the usual Government of Canada Logo but are cleared through another financial institution rather than directly to the Government of Canada.
  - b. RG Warrants which have been altered shall not qualify for reimbursement.
  - c. With appropriate notice, the Government of Canada reserves the right to restrict items included.

### Verification

4. If, for any reason, an Authorized Institution wishes to verify an RG Warrant it may do so in accordance with the procedures set out in Rule G7.

## RULE G8 – PROCEDURES / CRITERIA PERTAINING TO THE ENCASHMENT OF RECEIVER GENERAL WARRANTS FOR NON-CUSTOMERS

### Amount Limitation

5. The indemnification shall not apply in respect of RG Warrants in excess of \$1,750.00, however, where RG Warrants over \$1,750.00 are accepted by a Member, compensation and fraud-loss reimbursement shall be paid to a maximum value of \$1,750.00.

### Identification Requirements

6. At the time the RG Warrant is presented for encashment, one of the following identification requirements shall be met:
  - a. One piece of identification that is issued by the Government of Canada or the government of a province and that bears the signature and photograph of the individual;
  - b. At least two pieces of identification or two documents including, but not limited to, those set out in Appendix I, one of which indicates the person's name and address and the other the person's name and date of birth. If the name shown on one of the pieces of identification presented differs from the name shown on any other piece of identification presented by the individual, the individual shall provide a certificate evidencing the change of name that has occurred or a certified copy of the certificate; or
  - c. Any document from a reliable source provided that:
    - i. the document indicates the name and date of birth of the individual; and
    - ii. the identity of the individual is also confirmed by a client in good standing with the Member or by an individual in good standing in the community where the Member is situated.

For a personal reference, the Payee shall endorse the item, and the Member shall record the following details on the back of the item;

- The word "sponsored";
- The initials of the branch employee who verified the person who vouched for the Payee, followed by the Member name; and
- The date, either stamped or written.

Also, at the time of presentation of the RG Warrant for encashment, particulars of all identification, including the type of identification, presented by the Payee shall be recorded on the reverse side of the item by the employee of the Member encashing the item.

For greater certainty, the pieces of identification required to be presented by an individual shall be:

- original, valid and not substantially defaced; and

### Stale Dated RG Warrants

### Reimbursement for RG Warrants

10. When the RGO returns an RG Warrant with the usual payee affidavit, the branch of the Authorized Institution is responsible for trying to recover the funds.

Where funds are not recovered within a reasonable time, the following procedures apply:

- a. The branch of the Authorized Institution shall forward the RG Warrant along with a note confirming that attempts were made to recover the funds (see Reimbursement for Fraudulently Endorsed Items - Claims, attached as Appendix II)
- b. For an RG Warrant that was encashed on the basis of a personal reference, pursuant to subsection 6(a), the "Reimbursement of RG Warrants - Claims" form shall be signed by an authorized bank employee other than the branch employee who initialed the back of the RG Warrant for encashment.
- c. A copy of the RG Warrant shall be retained by the Authorized Institution for a period of one year in the event that further investigation at the branch level is required.
- d. The documentation described in subsection 10(a) should be inserted in a Returned Item Carrier Envelope (refer to Rule A4). The properly completed Returned Item Carrier Envelope (encoded with institution number 117 - Receiver General for Canada) and relevant documentation should then be forwarded to the RGI along with other negotiated Government Instruments by a Bank of Canada/RGO courier to Bank of Canada Banking Services Ottawa in accordance with the procedures outlined in Rule G3. The reason for the return on the Returned Item Carrier Envelope should read "Reimbursement for RG Warrants."
